

DPS 8th Grade Career Fair Sponsored by Noble Energy

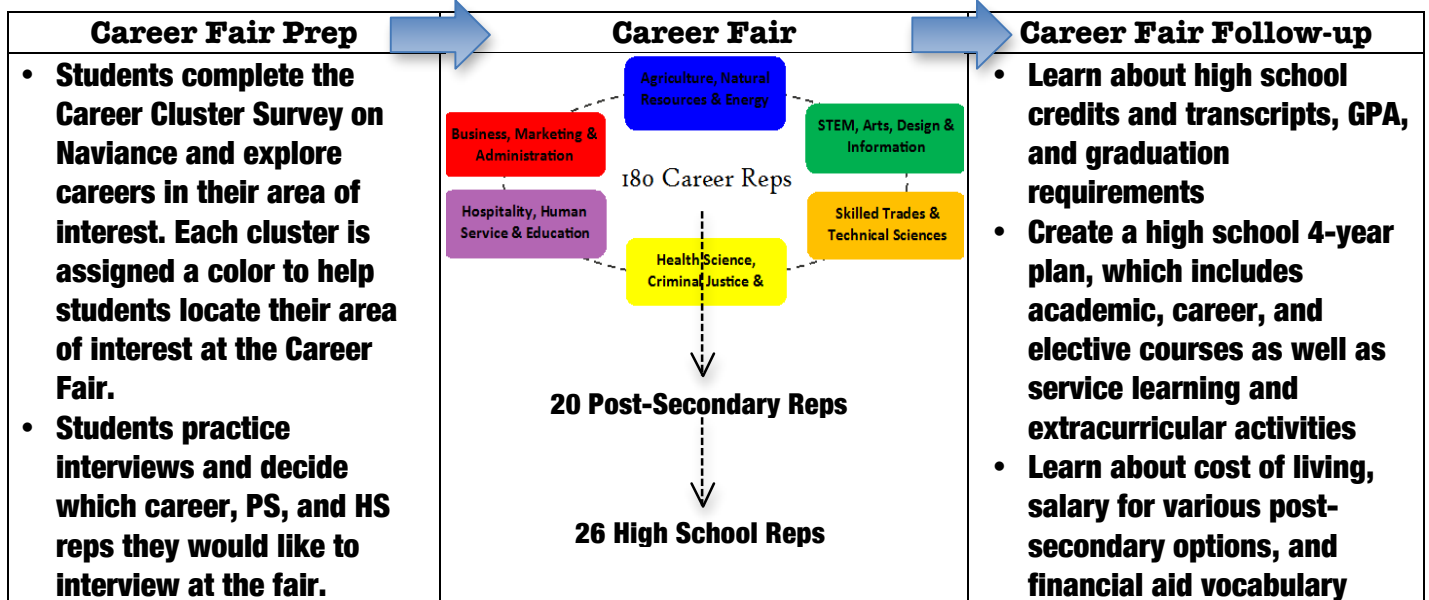

What: **DPS 8th Grade Career Fair**

When: **Tuesday November 6, 2018**

9:30 – 1:30 p.m.

Dear Parents & Guardians:

Eighth grade is a critical time when students begin making educational decisions that will impact their career opportunities for years to come. The Career Fair is set up to help students make these important decisions with the future in mind. They begin by interviewing career representatives in their area of interest to find out what post-secondary training or education they need for various careers. They end by learning about what high school programs or courses may help them prepare.

Event Sponsors:

Noble Energy, Kaiser Permanente and Martin/Martin Consulting Engineers
